Match Watch

your channel • your games • your media

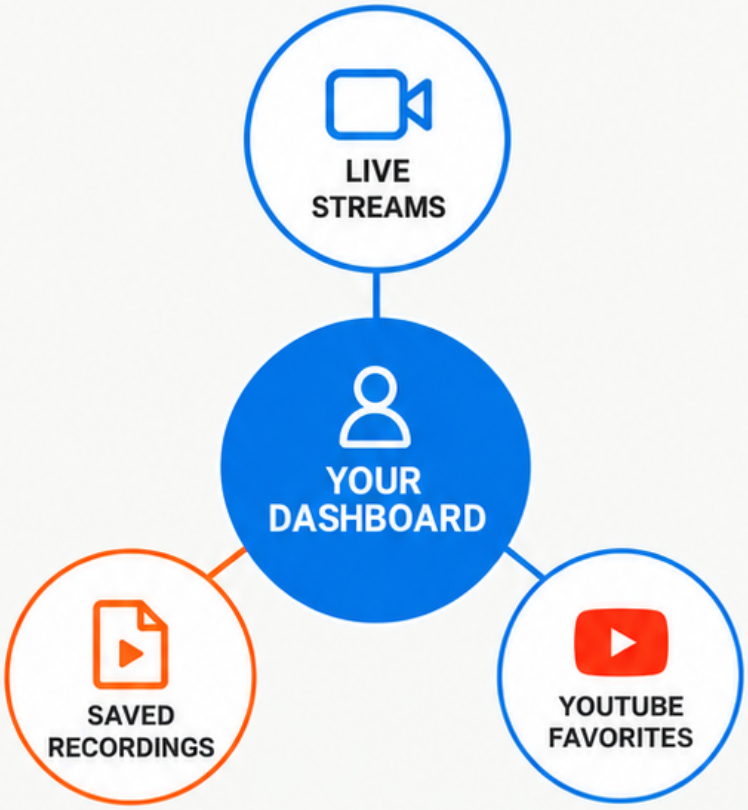

PERSONAL STREAMING

Your game.
Your channel.
Your media.

A personal space to broadcast your games, keep recordings, and collect the sports videos you love.

WHY IT MATTERS

Every person gets a home for their sports media — from the live moment to the replay worth keeping.

One person. One dashboard.

01 / YOUR CHANNEL

Make it yours.

Manage your broadcasts, recordings, and favorites in your own account.

02 / GO LIVE

Share your view.

Connect a compatible GoPro through RTMP. Share a watch link with your crowd.

03 / SAVE & ORGANIZE

Keep the moments.

Upload videos, save broadcast recordings, and organize your private library by sport.

04 / WATCH & FAVORITE

Build your collection.

Save match recaps and sports video links. Open original videos on YouTube.

matchwatch.us

Streaming destination: **stream.matchwatch.us**

Account-based streaming integration built; production setup and physical GoPro testing remain.
AI recaps and smart-glasses support are future plans.
